

Stoke-on-Trent Learning Disability Partnership Board

Good Health for People with Learning Disabilities

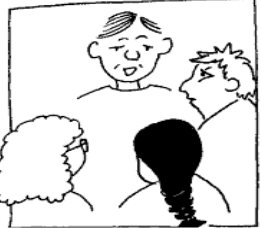

STRATEGIC PLAN: ACTION FOR HEALTH

	What we need to do	How we will do it	Who is Responsible	Progress
	<p>Make sure we know how many people there are in Stoke-on-Trent with a learning disability and if they get the same health care screening as everyone else</p>	<p>We will identify people registered with G.Ps</p> <p>We will carry out a Health Equity Audit of all people in our</p>	<p>JCU/PCT</p>	<p>All practices have got registers. They now need to be reviewed in light of the new national guidance whereby G.Ps who sign up by the end of October 2008 to offer an enhanced service (ie health checks) will receive additional monies.</p> <p>We will pay for an audit, linking with heart disease and diabetes will be undertaken from the G.P registers.</p>

	What we need to do	How we will do it	Who is Responsible	Progress
		<p>We will see if the training and awareness that has been carried out around breast and testicular screening has had an impact</p> <p>We will undertake training on healthy eating, sexual health, health promotion</p>		<p>An Audit has been undertaken by the Public Health Department and results were quite positive. Work with practices has been undertaken and flowcharts produced as an action to improve the overall figures. A further audit is planned for 2010 for comparison purposes</p> <p>Accessible training pack produced and there is ongoing training to care staff and clients.</p>

	What we need to do	How we will do it	Who is Responsible	Progress
	<p>Make sure that all mainstream hospital services are accessible</p>	<p>A Hospital Support Service Team is in the planning stage, with a short term plan to put in a scoping team.</p>	<p>JCU/PCT</p>	<p>Pauline Collins, new Executive Director at UHNS is taking a lead for UHNS.</p> <p>A Conference "Death by Indifference" was held at the Medical Institute in March. The Chief Executive of the acute hospital attended with lots of other people.</p> <p>An interim service is starting to scope the needs for various vulnerable people such as people with a learning disability or people with a sensory impairment. This work is starting in the Accident and Emergency Department</p>

	What we need to do	How we will do it	Who is Responsible	Progress
	<p>Make sure that general mental health services are accessible</p>	<p>Mental Health Services have to demonstrate that there is progress. This is one of their performance indicators for 2008/09</p>	<p>JCU/Mental Health Services</p>	<p>By August 2009, all mental health services will have clear pathways for people with learning disabilities, and appropriate support. Mental Health Services will have to demonstrate that there is progress, as it is one of the Performance Indicators for 2008/09</p>
	<p>Identify people to be Health Supporters and make sure there are enough for everyone to have one</p>	<p>This is part of the role of the Primary Healthcare Facilitators</p>	<p>Health Facilitators</p>	<p>Training has commenced and key workers are taking on this role. Day Centres are being targeted initially To date, over 100 trained</p>

	What we need to do	How we will do it	Who is Responsible	Progress
	<p>To begin to provide Health Action Plans for the priority groups</p>	<p>Target these groups first :-</p> <ul style="list-style-type: none"> *Young people in transition *People living with older carers *People from minority ethnic groups *People with Downs Syndrome 	<p>Health Facilitators. This target is linked</p>	<p>Work ongoing. At least 100 people have got Health Action Plans.</p> <p><u>Health Screening is the key.</u></p>
	<p>Make sure that people with learning disabilities are included in all plans & strategies to do with health in Stoke on Trent.</p>	<p>Make sure that any new plans mention Learning Disabilities directly.</p>	<p>Learning Disabilities Partnership Board / Good Health Group</p>	<p>Ongoing</p>
